TWO TEAM PAY

Making money with your FLEX business is simple due to the power of our Two Team plan. The key to success is building a team of dedicated Brand Influencers who share a common vision. To start just focus on one thing: Be a Qualified Brand Influencer yourself and sign up other Qualified Brand Influencers (placing half in each of your two teams). Then teach them each to do the same thing. It doesn't get any easier than that.

For the Two Team Pay, FLEX pays each of our Brand Influencers a very generous percentage of the CV (Commissionable Volume) generated by all the Brand Influencers in the smaller of their two teams, with volume calculated to infinity and with no cycles. For details on payout percentages according to rank, refer to the Rank Qualifications & Compensation chart. (Note: The maximum Two Team Pay is \$20,000 USD per week.*)

In our simple but powerful Two Team plan, you have a team on your left side and a team on your right side. As you personally sign up other Brand Influencers, you can place them in either of your two teams. New members can also be placed on your teams for you by your Sponsor (or others above you) in addition to the efforts of the Brand Influencers below you in your organization.

Once you reach the rank of Qualified Brand Influencer or higher, you earn up to 10%-20% (based on your rank) of the CV in your lesser-volume team every week. These pay periods are calculated and paid to you weekly. And the extra volume that you are not paid on from your larger team carries over to the next week as long as you maintain the rank of Qualified Brand Influencer or higher. So, it pays to stay Qualified...and to teach your team members to stay Qualified too.

It's really that simple.

Even better, the leveraging power of our Two Team plan doesn't end there. Not only are you rewarded for introducing others to FLEX and helping them succeed, but it also applies to everyone on your team. So, the more Brand Influencers you help sign up and get qualified, the more potential you all have to grow your incomes.

The example below shows how powerful FLEX's Two Team plan can be. It is based on the Brand Influencers each having a CV qualified monthly order. In this example, the lesser-volume team (on the right) collectively generated 95 CV. So, at a 20% payout, you would earn \$19 USD this week just in Two Team Pay.

MATCHING BONUSES

1. SPONSORING MATCHING BONUS

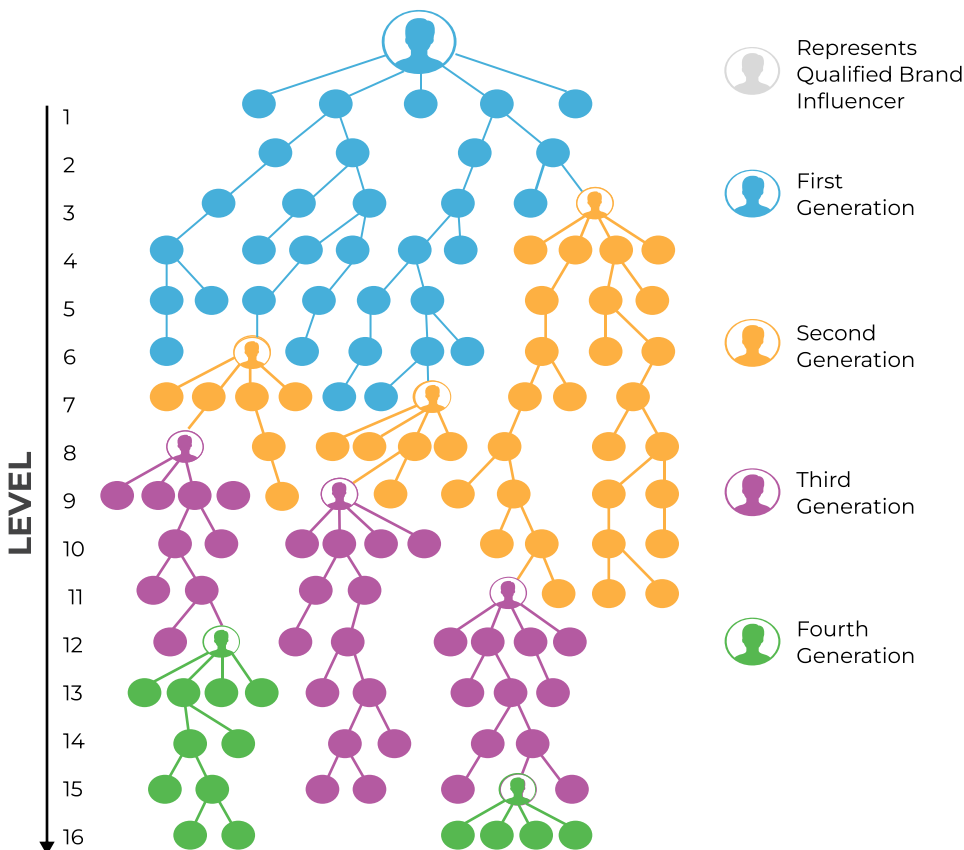

As a Brand Influencer, you get paid a 20% weekly check match on the collective Two Team Pay earned weekly by all your personally sponsored Brand Influencers. As shown in the example, as you build your team, the dollar amount of this weekly bonus rapidly skyrockets. What's more, you can qualify for this bonus as soon as you become a Brand Influencer; no other qualifications are needed.

# of personally sponsored Brand Partners	Their total combined Two Team Pay	Your 20% weekly check match
5	\$1,000	\$200
25	\$10,000	\$2,000
50	\$25,000	\$5,000

Example shown in USD amounts

2. GENERATION MATCHING BONUS

As a Gold Qualified Brand Influencer or higher rank (and for as long as you maintain the rank or higher), you also get paid a 10% weekly check match on the collective Two Team Pay earned weekly paid on up to four generations of Golds or higher rank in your Sponsorship Organization (binary qualified based on Two Team Pay). This bonus can create a significant amount of additional income each week in your FLEX business since each generation can represent a large number of Brand Influencers as shown in the example below.

EXPLANATION OF GENERATIONS AND SPONSORSHIP ORGANIZATION

Your "Sponsorship Organization" comprises all the Brand Influencers that you personally sponsored as well as all the Brand Influencers they each sponsored.

In your Sponsorship Organization, all the Brand Influencers that you personally sponsor are placed on your first level (with unlimited horizontal expansion potential) ... and all the Brand Influencers they personally sponsor are placed on your second level...and so on.

A "generation" starts when a Brand Influencer in your Sponsorship Organization has reached the rank of Gold Qualified Brand Influencer or higher during a weekly pay period.

The Generation Matching Bonus includes all Brand Influencers below them in that team leg of your Sponsorship Organization until the tracking system encounters another Brand Influencer in the same team leg who is also at the Gold Qualified Brand Influencer rank or higher. Then that Brand Influencer would then start your next generation.

DIAMOND BONUSES

As a Diamond Qualified Brand Influencer, every week you get paid a share of a 2% Global Bonus Pool of the total company-wide CV generated that week. Since that bonus is only for the Diamond rank, the higher-level ranks have a different bonus structure (below). Starting at the Blue Diamond level, you receive a significant one-time new rank cash bonus when you first attain each higher Diamond rank.

If the total company-wide payout is calculated to be over 60%, actual individual payouts will be adjusted down to make the total company-wide payout be 60%. If the total payout is under 60%, the difference will go into a company reserve to cover any weeks that the payout is higher. This is designed to ensure that FLEX can always pay out the maximum amount possible to our Brand Influencers without paying out too much, so that we can ensure the stability of the pay plan long term.

NOTE: The maximum Two Team Pay is \$20,000 USD per week.

EXPLANATION OF PV & CV

Every product has an assigned PV and CV value. Personal Volume (PV) reflects the dollar amount that the person paid for the product (i.e., the purchase price). Commissionable Volume (CV) is the dollar value assigned to the product for the calculation of commissions.
